

Summer Marimba Classes 2010

The Tri-Cities Steel Band Association is offering SUMMER MARIMBA CLASSES for youth going into 4th grade through 12th grade. Walt Hampton, director of the Rugare & 'Bahuru Marimba Bands (African marimba), will teach the classes in a FUN and low-key learning atmosphere. At these classes, Mr. Hampton will be assisted by several Rugare & 'Bahuru members and alumni; thus ensuring plenty of individual instruction for each student. At the end of the session, the classes will perform the music they've learned at an evening recital at the fingernail in Howard Amon Park! Class size is limited.

****** Please note Session II is not a repeat of Session I.*

Different songs are taught in each session.
